## Winter Term Play To Open In Shryock This Thursday

Prethensive ages will be recreated in Shryock midweek Thursday, Jan. 29 in the Little Theatre presentation of "Skin of Our Teeth". Starting time for the Pulitzer prize winning play is 8 p. m. Subsequent performances will be given on Friday, Jan. 30, and Saturday, Jan. 31.

An unusual experimental play, "Skin of Our Teeth" presents the evolution of mankind and his battle for existence. Principal characters are Mr. and Mrs. Antrobus, an "average" world couple; Sabina, a representative of the eternal temptress; and the Antrobuses children, Gladys and Henry.

"It is one of the most extraordinary plays we have planned to present," Dr. McLeod said. The play is experimental, picturing how man has just barely survived the ice age, the wars, pestilence, and the floods that have swept the earth during man's habitation of the planet.

THE FIRST act of the play occurs in the Antrobuses home in Eochel, New Jersey. During Act II the Antrobuses encounter the Biblical flood on the Boardwalk of Atlantic City. The family is at home in Eochel for Act III.

"Skin of Our Teeth" was the Pulitzer prize for playwright Thornton Wilder in 1935. Tullulah Bankhead was Sabina in the original Broadway production.

"Wilder's plays were experimental," Dr. Archibald MacLeod said. "Wilder's staging is always radically different. He believes that since the theatre is a place of make-believe, plays ought to carry out the make-believe theme. In 'Skin of Our Teeth' McLeod continued, 'he carries this theory to the place where audience and scenery are in the play.'"

IN VARIOUS scenes of the play, actors move through the audience address, and the scenery will be changed by the use of the SIU stage, so the audience will be on the stage.

Furniture for the Antrobuses home will consist of geometric shapes and cubes. The SIU stage scenery will be included in the action.

Wind lighting effects will further distinguish the play. Under the supervision of Lawrence Voss, technical director, two Linnebach projectors have been built to aid with lighting effects.

ADMISSION to "Skin of Our Teeth" is 50 cents.

Members of Little Theatre committees are responsible for many backstage arrangements: stage manager, Bob Chenneth; stage crew—Nancy Davidson, Katherine Hogan, Barbara Krause, Phyllis Owen, Pat Lamont, Carol Krusen, Jan Petter; lighting crew—Nancy Voss, David Alverson, Bob Lupella; special projections—Darwin Payne, Jo Belsch.

Lineup for the show which is to be presented Feb. 5 at 8 p. m. in Shryock auditorium will be announced in the next Egyptian.

### Committees Plan Independent Week

Music, skating, dancing, and the crowning of the Independent Sweetheart will highlight Southern's second annual ISA Week, Feb. 16 to Feb. 21, "according to tentative plans set up by the various committees."

The week's festivities will begin Monday, Feb. 16, with a Community Concert. A "South of the Border" party with a Spanish theme will provide the fun Tuesday night at the Student Center. (Wednesday) Feb. 18, there will be a skating party at the city rink. The next night, Thursday, all Independent houses will hold open house.

This year's Independent Sweetheart will be crowned Friday night, Feb. 20, during the all-scheduled dances at the Women's gym. Current plans call for a name band to play at this dance.

ISA Week will be brought to a close Sunday, Feb. 21 with a party at the Sportsman's club. Independent Sweetheart nominations were made yesterday at an ISA meeting when the top five girls were selected. Next Monday, Feb. 2, ISA members will again vote and elect their Sweetheart. The other four girls will make up the court. The girl selected as Independent Sweetheart will represent the local ISA at the national ISA convention at Purdue University in Lafayette, Ind., April 22 to 25.

ISA activity cards will be honored at many of the week's activities, but anyone, whether he is a member of the ISA or not, may attend the events.

Freda Gover is overall chairman of the week. Committee members include Liz Wilson, Gwen Lane, and Bill Phelps on the dance committee; with Artie Tripple and Margaret Zimmerman acting as co-chairmen. Co-chairmen of the Independent Sweetheart committee are Les Breithaupt and Charley Newberry with Alice Davis, Rave Rowden, Bob Sharp, and Jack Randolph on their committee.

Members of the Student Center party committee are Amy Wilkerson, Max Hanson, Joyce Donoho, and Verna Krasker. Bobbie Krause and Dick Moore are co-chairmen of the committee. Dance decorations committee co-chairmen are Mary Ann Sanders and Jerry McDonald with Lois Burke and Pat Miller on their committee. Dallas Tally and Jerry Fear are hand committee co-chairmen.

Student center party co-chairmen are Dallas Tally and Mary Ann Cagle, and skating party co-chairmen are Bernice Weptelski and Keith Stedeker. Agnes Schwabe and Jim Gilliland are publicity co-chairmen. Ray Reade is on their committee. Finance committee co-chairmen are Tom Austin and Mary Lou Merritt. Committee members are Carolyn Cagle and Oma Dorris.

ISA Week is a national affair and will be observed on every campus in the United States where the school is a member of the National Independent Student Association.

Two years ago, Pat Marlow, now a Herrin senior, represented the local ISA chapter at the National Convention. She was selected from a group of delegates from other chapters throughout the United States to serve as National ISA Sweetheart for that year.

Joy Gollen, now a sophomore from Anna, represented our chapter last year at the national convention.

## Fraternity Collects \$100 So Far Through Blanket Contributions At Games; Faculty Donations Are \$25

An aerial bomb exploded at 9:30 this morning to launch the annual Alpha Phi Omega "Line of Dimes" drive on SIU's campus. The first dimes were laid on the line running from the main gate to the steps of Old Main.

Approximately \$125 has already been collected at two ball games and from the replies to cards asking for donations sent to faculty members.

The APO collected \$60 when they passed around blankets at the Saluki basketball game on Jan. 9. On the night of the game with Northern the blankets yielded another \$40. Faculty contributions thus far have amounted to around \$25. Goal of the "Line of Dimes" is to reach the steps of Old Main. It will take approximately \$400 of dimes to cover the distance.

The major part of the campaign is to end Thursday, but students may contribute money by placing it in the contribution boxes which have been placed in all organized houses by the APO. Money collected through the organized houses will be placed on the line.

Last year the contributions to the drive were generous, and the APO went over its quota. The quota for this year is \$400.

APO members will be present at the line running from the main gate to the steps of Old Main at all times during the day to make change for people who want to lengthen the line with more dimes.

Chairman of the drive is Joe Walter, sophomore from Salem. Also serving on the committee are Les Barnes, Bill MacDonald, Paul Morris, Loren Clark, Charles Wildy, and Richard Coleman.

## Reed Is Not Botanist As Formerly Announced

The background material given for the Career Conference keynote speaker, Ernest Reed, in Jan. 20 issue of the Egyptian was mixed up with that of another Ernest Reed who is an instructor at Syracuse University. Correct information has now been obtained.

Ernest Reed, who will give his address here at 9 a. m. Feb. 10, is a graduate of Kansas State College and Northwestern University. He has had eight years of experience in teaching and administrative work in Kansas and Indiana high schools and colleges.

He served four years in the military service in the training and personnel division of the army. He was promoted to the rank of Lt. Col. and appointed chief of service in the school section of the military training division.

## Psychology Dept. To Give One Act Play Thursday

On Feb. 12 the Psychology department will vary from its usual film forum series on parent-child relationships and present a one-act play entitled "Scattered Showers."

It will be presented in conjunction with the regular five-hour public forum series on parent-child relationships at the Studio Theatre, University Training school on Thursday night, Feb. 12 at 8 o'clock.

There will be no admission charge, and all students, the faculty, and the general public are invited.

The play will feature Mrs. Jesse Kennedy, Mrs. Albert Croft, and Mrs. Abraham Marx in the title roles of three mothers who take their children for a walk through the park and experience the everyday occurrences, good and bad, that are typical of parent-child relations. The three mothers soon embark upon conversation about the antics of their children, and the play tends to show

how they react and feel about their children, husbands, and life in general.

Following this Dr. William Wierzbicki, professor of psychology at Southern, will lead the regular forum discussion concerning the problems of these pseudo-mothers, and show how they can be applied to everyday life.

"Scattered Showers" has been produced professionally by the American Theatre Wing in New York and Cleveland, and is highly recommended by the American Psychology Association and the National Hygiene Committee.

Reed is a member of the American Society of Training Directors (Illinois) Training Directors Association; Education Committee, Illinois State Chamber of Commerce; Speech Association of America; Education Committee, Chicago Association of Commerce and Industry; Board of Directors, and the Adult Education Council of Greater Chicago.

In 1950 he was general chairman of the National Convention of American Society of Training Directors.

## Curt Ray, Disc Jockey, To Emcee SIU Variety Show

Jim Kahnman, chairman of the coming Theta Xi All-School Variety Show, announced this week that Curt Ray, popular St. Louis disc jockey had accepted his invitation to serve as master of ceremonies of the show Feb. 5. Ray, who has several shows over a large St. Louis station, specializes in "SIC" appearances in the St. Louis area.

This week, the fraternity plans to outline staging on the acts already entered, and to hold practice (Wednesday afternoon at 4:30 o'clock in the auditorium. Three important practices are also slated for next week, on Monday, Tuesday, and Wednesday nights. All rehearsals next week start at 6:30 p. m.

ACTS already approved include musical numbers by Delta Sigma Epsilon, Sigma Sigma Sigma, Alpha Eta, and Phi Kappa Xi. Fraternity skits by Theta Xi, Sigma Pi, and Sigma Tau Gamma have also been entered. Another large group act is the Omega Psi Chi's 23-act ROTC choir directed by Max Anderson. This group will be singing two selections.

Anthony Hall will open the show with a chorus number entitled, "Stairway to Paradise." Twelve girls will make up the chorus.

Kahnman says especially high on praise of Dick Gregory, SIU's prize comedian. "Gregory can add little twist," he said. Gregory's appearance in the show will consist of two comedy numbers.

ANOTHER NOVELTY act will be presented by Les Barnes and Artie Tripple. Barnes is remembered for an act he and Bill Nichols presented in the 1951 Variety Show. Their act was entitled, "Early Morning Exercises."

Other acts include a quartet of "Southern Belle." In this group are Roberta Norman, Joyce Gollen, Linda McCree, and Dolly Andries. Marie Cagle and Jennie Hoorbeck will present a slapstick interpretation of old vaudeville. Johnson Hall has an act dating back to the days of the little red school house, with singing and dancing numbers thrown in.

INDIVIDUALS in the show are Bill Turner, Mildred Hart and Georgia Smith, and Harold "Red" White.

In addition to theatrical talent for the show, the fraternity is still accepting applications for the "Service to Southern" awards. They should be mailed to the chapter at 414 West Main, Carbonado, by Feb. 10. The awards will be displayed table in the crystalline of Old Main. Ben Shuppert, in charge of the service awards, announced that this Friday, Jan. 30, would be the deadline on applications.

FIRST social organization to register as a group to donate blood in the current blood campaign was Tau Kappa Epsilon, thirty members of which are shown above registering at the Red Cross center with County chairman Mrs. C. S. Gill. Members included in the picture are as follows: Doug Shepherd, president; Cliff Karch, Charles Parker, Harry Boyd, Eldon Evans, Jerry Havens, Jim Crippen, Bill Shea, Roger Aydt, John Reynolds, John Boyd, Ron Kofar, Dave Albrecht, Al Sturm, Bill Pickler, Jerry Hicks, Paul Lamont, Roger Van Dam, Dick Pannier, Jerry Anderson, Don Shelton, Loren Clark, Don Lerch, Colter Pasmueller, Speed Werner, Tom Lauber, Max Evans, Ron Wilson, James Walworth, and Sam Thorgmorton.

HARLOW Sears, sophomore from Harrisburg, signs up as a blood donor with Captain Paul

Lunde in the AF ROTC office, which is sponsoring SIU's part in the local blood drive.

# VAPOR TRAILS

(Staff Note: Since the crowning of Miss Ida Mae Schellhardt as ROTC Queen at the Military Ball last December, many of the cadets have been curious as to the "life story" of their new Queen and Honorary Captain. With this in mind, Cadet Jerry Kolesky was assigned the task of introducing Colonel Schellhardt to the cadets through VAPOR TRAILS.)

An informal interview was arranged with Miss Schellhardt as her home to find out more about our new Queen, the vivacious, pretty smiling co-ed from Valmeyer, Illinois.

"I did not believe it when the announcement was made." This was all Ida Mae could think about during the crowning ceremonies of the New Queen at the second AF ROTC Military Ball held the evening of Dec. 5, 1952.

As the candidates for ROTC Queen promulgated up to the throne to the song of "A Pretty Girl is Like a Melody," Miss Ida Mae Schellhardt was a symbolization of the "pretty girl."

Miss Ida Mae Schellhardt has been nicknamed by her sister-in-law who calls her "Ike."

During her high school days at Valmeyer high school it seemed inevitable that "Ike" would be a queen. In her senior year she was chosen "basketball queen" by her school mates. When it came to the scholastic department, she was recognized on the dean's honor roll repeatedly. Also during her senior year, she had the office of vice president of her senior class. A position in the school band made up another extra-curricular activity.

When the day of graduation arrived in 1950, Ida Mae received a Normal School scholarship and decided to enter Southern to major in elementary education. Her ambition is to teach the third and fourth grades after her graduation from SIU, possibly in 1955.

At any Southern basketball game, Ida Mae helps cheering the team on to victory as one of the SIU cheer leaders.

Living in a private home in Carbondale gives Ida and her roommates the opportunity to do their own cooking.

Last year, at the Spring Festival, Ida was one of the final contestants for the Miss Southern award. To help finance her college education and to make some of that needed extra spending money, Ida Mae works part time in Carbondale at Clyde Smith's as a general office worker. During her summer vacation she was employed in St. Louis as an office worker.

Ida's family consists of two brothers and one sister. The family lives on a 350 acre grain farm out side of Waterloo, Ill.

Next to school work, Ida has a great appreciation for reading, dancing, travel, and all sports. Swimming takes much of her time during the summer months. She said, "I especially like basketball" and

volleyball, either watching or participating."

**PARADE REST**  
The "Queen's Guard" AF ROTC precision drill team will hold a mixer entitled "Parade Rest" in the Student Center on January 28, 1953 from 7:30 to 10:00 p. m. Only drill team members, their dates, approved applicants to the team, the AF ROTC staff officers and their wives, and special guests will attend the mixer. Entertainment and dancing will be the highlights of the evening.

## SIU Geology Club Plans March Tour

Southern's Geology club is currently making plans to sponsor a field trip into Arkansas during the spring vacation. The trip will include visits to Arkansas' diamond mine and its lead zinc and barite mines. The group will also visit Hot Springs.

Any student who is interested may make the trip. No limit has been set on the number that may go. The trip will last from five to six days. It will be led by Dr. Stanley E. Harris and Jules Duhan.

IDA MAE Schellhardt, queen of Southern's AF ROTC, greets Cadet Jerry Kolesky who went to her home to interview her for the Egyptian.

THE AF ROTC queen, or studies in her room here in Carbondale. As many know her, as she is called.

## SIU Seniors Eligible For Fellowship

Southern seniors majoring in chemistry, physics or engineering are eligible for Atomic Energy Commission sponsored graduate fellowships in radiological physics for the 1953-54 school year.

Up to 75 fellowships may be awarded, with fully-accredited graduate study to be carried out in three locations.

In each case, nine months of course work at the university is followed by three months of additional study and field training at the co-operating AEC installation.

Basic stipends for fellows is \$1600 per year, with an allowance of \$350 if married and \$350 for each dependent child.

Additional information on the program may be obtained from science department heads or direct from the Institute at Oak Ridge, Tenn.

## Area Schools Profit By Visual Aids Service

This year should be a boom year for the popcorn industry, if it takes advantage of SIU's extensive film program. From recent reports, between 10,000 and 12,000 motion picture films will be circulated annually in Illinois besides 1,000 showings of film strips, according to Donald Ingh, director of the SIU audio-visual aids service.

Some of the movies are circulated to church, civic and social organizations, but 85 per cent go to schools in the southern part of the state at a nominal rental fee. In addition to these, the service supplies between 3,000 and 4,000 movies for educational purposes on Southern's campus.

The audio-visual aids service now has a collection of 1,800 motion pictures titled and 1,100 film strips and is continually enlarging. Practically every field of learning is dealt with; the education level ranges from the primary grade through college.

At least a dozen rentals annually are necessary for a film to pay for itself, Ingh says. Film damage by faulty projection equipment or improper operation by the person of organization renting the film presents a major problem of the service. Occasionally films have been ruined the first time they have been sent out. A film will survive 40 or more runs with proper use in projection of good condition.

Although motion pictures constitute the biggest part of the audio-visual program, adequate use of film strips, bulletin boards, blackboards, tape recordings, radio, field trips, models, and displays are important.

### Former Faculty Member Gets Embassy Position

Dr. Eugene Fair, senior cultural officer in the Public Affairs Section of the U. S. Consulate General, London, has been reassigned and is now Cultural Officer at the American Embassy in Manila, Philippine Islands.

Dr. Fair, whose home is Alton, Ill., was dean of the College of Education and professor of Education and history at Southern Illinois University from 1945, until May 9 and November 2 administrations.

## Salukis Entertain 'Cape' Tonight

Southern's eagles will resume home action tonight when they host to Cape Girardeu's Indians. The Salukis will be attempting to improve upon a 9-4 season record, and extend their current winning streak through five games.

Earlier in the season, the Salukis traveled to Cape and came back with a 67-62 victory. The Salukis had little trouble in that contest, taking an early lead with a 22 point first quarter effort.

**COACH LYNN** Holder will probably use the same starting lineup against the Indians. **BOB NICKOLAUS**, will be forward, **Caplain Chuck Thate** at center, **John Cherry** and **Harvey Welch** at guards. Jack Theriot and Tom Morgan probably will also see plenty of action during the contest.

The Indians will probably start **Smith and Balzer** at forwards, **Ester and Gilbert** at guards, and **Henderson** at center. Henderson led the attack against the Salukis in the earlier encounter, pouring in six field goals and 11 free throws for a 23 point total.

**THURSDAY NIGHT**, the Salukis travel to Evansville, Ind., for a return match with the Evansville Purple Aces. The Holdersmen opened the 1952-53 season with a 66-60 victory over the Aces here in Carbondale.

Barring any upsets, the SIU eagles should have little trouble in repeating their early season victories against the non-conference opponents. **WILLIAM U.** will invade Carbondale in a return engagement against the Salukis Feb. 11. Southern closes out the season with home games against Millikin Feb. 25 and Indiana State Feb. 27.

## Cagers Beat Kirksville In Overtime Tilt, 83-80

Scoring six points in an overtime period while holding the Kirksville Bulldogs to three, Southern's eagles fought to an 83-80 victory at Kirksville, Mo. last Saturday night.

This was the ninth victory of the season, as compared to four losses, and the fourth consecutive win since the 81-80 loss to Illinois Normal. Southern trailed the Bulldogs by seven points with five minutes remaining in a nip-and-tuck fourth quarter. The Salukis poured on the coal.

Barring any upsets, the SIU eagles should have little trouble in repeating their early season victories against the non-conference opponents. **WILLIAM U.** will invade Carbondale in a return engagement against the Salukis Feb. 11. Southern closes out the season with home games against Millikin Feb. 25 and Indiana State Feb. 27.

## Dan Smith Paces 'B' Squad Paces

Center Dan Smith, Carbondale freshman, is top scorer so far for Bill O'Brien's "B" squad.

In five intercollegiate games Smith has scored 27 field goals and eight free throws for 62 points, an average of 12.4 per game.

The junior varsity has won two games and lost three. Tonight they seek a repeat victory over Cape Girardeau. Southern won 55-47 in the first game at Cape.

Tied for second in scoring are Joe Johnson of Mt. Vernon and Warren Talley of Pinckneyville each with 41 points. Next are Gene Baquet, Marion, 33; Cleon West, Waterloo, 27; Jerry Engle, Sadorus, 20.

Other scorers: Jack Morgan, Carbondale, 16; Tom Holobowski, Calumet City, 15; Dale Stroup, Carbondale, 14; Richard Blythe, Hammond, Ind., 13; Ed McCabe, Terre Haute, Ind., nine; Gene Tabachnick, Auburn, and Bill Reynolds, Dupon, seven each; Harold Finnin, Eldorado, and Linford Thomas, Carbondale, four each.

The "Javes" other victory was over Centralia junior college, 73-61. They lost to Scott Field 63-60, to Eastern 64-59 and to Washington, 65-61.

Where else but at a wrestling meet could situation like this develop? Look again and you'll find that there are just two wrestlers in the picture. They're only bent this way. The guy bent in half is Eastern's O'Dell. Clinging tightly to him is Saluki grappler Joe Fedora. The action took place during the 147 pound match Friday night.

## Matmen Trounce Eastern, Lose to Memphis, 14-12

Southern's wrestlers tested victory for the first time this season when they trounced Eastern Illinois 23-3, here Friday night in the most one-sided winning score in SIU wrestling history. But the Memphis sailors proved their superiority for the second time this season when they succeeded by the Saluki grapplers 14-12 here Saturday afternoon.

Eastern's grapplers didn't score a single point against a Southern team which, led by Jack Stough, 137 pound Greco-Roman, grappled his first win by a fall in four years of college wrestling when he pinned Morgan in 4:30. Stough's victory gave Coach Jim Wilkinson's wrestlers an 11-0 team lead.

**FIRST PANTHER POINT**

Joe Fedora, 147 pound center from Granite City, continued the Saluki domination when he dropped Eastern's O'Dell by another 6-0 shut-out. Bob Zelenek, 137 pound Greco-Roman, junior, got by Current of Eastern by a 6-1 score. This point was the first scored by a Panther wrestler.

The Panthers gained their only victory of the match when Larry Ured outstomped Southern's Nick Veremis in the 167 pound bout.

The Salukis made a clean sweep of the eight match when Earl Coon, 177 pound E. St. Louis freshman, defeated Dick Ured by a 7-2 score, and Southern's Kent Werner, heavyweight freestyleman from Belleville, beat Magnuson of the Panthers 8-2. These last two victories by Wilkinson's crew boosted the score to 11-0.

**MEMPHIS WINS AGAIN**

Len Zabroski paced the winners with 376. Mary Ann Klingenberg with a 460 series. Ron Sullivan and Jane Peradotto paced the losers with 437. 444 and 431, respectively. ## Inside the Intramurals

**By Jay Hudson**

"At the present time we have played over 50 games and have had only one forfeit. This is a fine record for the intramural teams have shown thus far," said Jim Wilkinson, intramural director when referring to the basketball tournament.

To date there are 48 teams entered. The teams are divided into 8 leagues, 6 teams to a league. For the sake of novelty, the eight leagues are given the names of various basketball players: Bostwick, Cherry, etc.

Last year's intramural champions, the Yanks, seem to be at it again as they are now the pace setters in the Cherry League. The Yanks are captained by Leo Wilson, high scorer in Jim Wilson (no relation to the Yanks). Other team members include Charles Hubbard, Joe Husker, Charles Pisoni, John Swan and Ed Johnson.

In the Thate League there is a tie for the lead between Chi Delts "B" and Sigma Pi "Alpha" both teams having won three and lost none. Jim Ludwig, T. Werle, L. A. Slicka, A. Johnson, P. Chesnak, Reed, B. Nance, N. Bowers, D. Zinner, and B. Wagner make up the Chi Delts team with E. Johnson, B. Schneider, J. Peterson, J. Pichler, J. Gumbach, J. Holpp, and I. Hasc carrying the load for Sigma Pi "Alpha."

In the Nikolaus league the Evansville Bulldogs are undisputed leaders with 2-0. The team composed of M. Kaufman, J. Hoernberg, V. Spruce, H. Chaplain, and H. Reuter scored 107 points in their last game.

In the Thater's league there is a three-way tie for the lead. Sigma Tau Gamma, the Marion Hoopers, and the Men's Don all hold one third. Team members for the three leagues are: G. Krolak, M. Pans, Chi Delts, Zimmer, Still "A", Hunt
